**01.01.2015 – 30.06.2015**

**Interim Activity Report**

**CONVENIENCE TRANSLATION INTO ENGLISH OF  
INDEPENDENT AUDITOR'S REVIEW REPORT ON SEMI-ANNUAL REPORT  
ORIGINALLY ISSUED IN TURKISH**

To the Board of Directors of Migros Ticaret A.Ş.

1. We have been assigned to the review whether the financial information in the semi-annual report of Migros Ticaret A.Ş. (the "Company") prepared as at 30 June 2015 is consistent with the reviewed interim condensed consolidated financial statements. Management is responsible for the preparation of the semi-annual report. Our responsibility is to express a conclusion on whether the financial information provided in the semi-annual report is consistent with the reviewed interim condensed consolidated financial statements on which we have expressed our conclusion dated 19 August 2015.
2. We conducted our review in accordance with the Standard on Review Engagements ("SRE") 2410 "Review on Interim Financial Information Performed by the Independent Auditor of the Entity". Our review includes the assessment as to whether the financial information included in the semi-annual report is consistent with the reviewed interim condensed consolidated financial statements and other explanatory notes. A review is substantially less in scope than an audit conducted in accordance with Independent Auditing Standards, the objective of which is to express an opinion on the financial statements. Consequently, a review on the semi-annual financial information does not provide assurance that the audit firm will be aware of all significant matters which would have been identified in an audit. Accordingly, we do not express an audit opinion.
3. Based on our review, nothing has come to our attention that causes us to conclude that the accompanying financial information included in the semi-annual report is not consistent, in all material respects, with the condensed consolidated interim financial information and the information presented in the explanatory notes to condensed consolidated interim financial information.
